

Sherita Eastmon, CMOM
Education Coordinator
Cape Fear Valley Health System
Fayetteville, North Carolina

Why Should I Become Certified?

“Earning your certification validates your achievement and demonstrates to employers your commitment to the profession.”

Authenticate your skills with certification from Practice Management Institute®:

- Certified Medical Coder (CMC)®**
- Certified Medical Insurance Specialist (CMIS)®**
- Certified Medical Office Manager (CMOM)®**
- Certified Medical Compliance Officer (CMCO)**

Find out more at www.pmiMD.com:
