

Defend Your CMS Dollars  
Against RAC Attacks.

Arm Your Facility with ClickON® RADs™  
(Recovery Audit Defense system).

**Technology That Fits: The Need To Respond**

When the Recovery Audit Contractors arrive at your gates, will you be ready to defend your claims? With ClickON® RADs™, you can accept RAC requests, efficiently collect and attach documentation and generate complete, timely RAC responses.

Keep your CMS dollars without dedicating a small army to their defense.
