with **Speed**
ECODER
from Provistas

SpeedECoder® eliminates installing and updating expensive software by delivering coding and compliance updates as they happen.

- Network** your staff through our secure website with any Internet connection.
- Do** keyword and code searches on CPT, ICD-9-CM and HCPCS, browse the texts online, or access eBooks for offline reference.
- Find** edits, bundling (CCI), E&M levels, medical necessity (LCDs), and Medicare fees.
- Online** support is available 24 hours a day. Phone support is available from 9 a.m.-6 p.m. EST, M-F.

Federally Qualified Health Centers, Rural Health Centers, and not-for-profit HIV/AIDS clinical service providers get half off current pricing.

Test drive SpeedECoder for 14 days
or purchase it at
